The TEAA is a cooperative that relies on volunteers. To insure we continue to be a vibrant and effective organization, the Board has identified those tasks/projects that need to be done, and made it the responsibility of specific officers to insure that they get done. The officers are not expected to do all the tasks/projects themselves, but rather they are to solicit help from the membership – form committees (many already exist), select committee chairs, do whatever makes sense – to get the work done. Please indicate below those areas in which you are willing to help when called upon.
