Patron Supporter Donation Opportunity

This unique new donation opportunity was created for those who aren't necessarily artists, or don't have the time to volunteer, but still want to support the arts community. We are a 501(c)(3), volunteer-run organization of artists. Your tax deductible donation will help us continue to fulfill our mission.

Our mission is to provide educational opportunities in the visual arts, to foster creation of original art in all media, and to enhance the enjoyment of art in the community.
